FREE MONEY

Yes, you read that right. Free money. That's what it will feel like for all the members who have contributed to their Chattanooga Federal Christmas Club account throughout the past year. On November 1, the money they have put back since last Christmas will be deposited into their Chattanooga Federal share draft or share savings account. It's never too late to set up a Christmas Club account. Talk to one of our Member Service Representatives about opening one today so you can enjoy the feeling of free money next year.
